## BOARD OF DIRECTORS HOLD ANNUAL FALL MEETING IN LIBRARY

**President's Report Shows Institution  
In Flourishing Condition With  
More Chances for Service**

### NEW SALARY SCALE ADOPTED

The Board of Directors of the College met last Tuesday. The attendance at the meeting was large, the reports from the several officers were encouraging to a large degree and the College Fathers gave enthusiastic response to all the suggestions and recommendations that were proposed by the President. The following members of the Board were present: Dr. James M. Anders, LL. D., Rev. T. A. Alspach, D. D., A. R. Brodbeck, LL. D., A. D. Fetterolf, Esq., Rev. I. C. Fisher, D. D., E. S. Fretz, A. H. Hendricks, Esq., J. F. Hendricks, Esq., D. L. Helfrich, Esq., E. M. Hershey, Esq., Rev. J. M. S. Isenberg, D. D., W. A. Kline, Litt. D., Rev. J. W. Meminger, D. D., Ralph E. Miller, G. L. Omwake, LL. D., H. E. Paisley, H. T. Spangler, D. D., and Calvin D. Yost, D. D.

The President of the College presented a comprehensive report in which he reviewed the year's achievements, gave an outline of what should be the future policy of the College, presented the need of scholarship and loan funds, and the pressing need of additional buildings, naming particularly a science building, a woman's building and an infirmary. He stressed the fact that Ursinus should not aim to become a large college, but should aim to do still better the work in its sphere as a small liberal arts college. For this reason he does not wish the College to become engrossed exclusively in programs for material development. He strongly recommended the strengthening of the educational side of the institution. This involves the enlargement of the faculty and the advancing of the salary scale. It implies further that the faculty must continue to be made up of persons who can fill their places with high credit. "The rank of professor should represent only the highest attainments in scholarship, personal force and professional experience." The Board of Directors took a step in advance by adopting a new salary scale.

The Vice President in a detailed report gave an account of his activities during the past year, of the work already accomplished and of many interests started that give promise of greater results in the future. He secured gifts, annuities and contributions totaling approximately \$15,000. Of perhaps greater value than the immediate receipts as a result of his work are the contacts which he is continually making, and the field which he is cultivating. The results from this work cannot be tabulated and will only materialize in the future maintenance of the College.

The report of the Dean was both interesting and enlightening. The total enrollment in the College is 454, of which number 253 are men and 201 are women. These students come from

## PRES. G. L. OMWAKE AND FAC- ULTY REP. ATTEND MEETING

President George L. Omwake, Dean Elizabeth B. White and Professor J. Lynn Barnard represented Ursinus College at the forty-first annual meeting of the Association of Colleges and Preparatory Schools of the Middle States and Maryland at Atlantic City on Friday and Saturday last. The sessions were held at the Hotel Ambassador and in the auditorium of the new city high school buildings.

## MERRITT JEFFERS ELECTED CAPT, KELLER CHOSEN MGR.

Merritt Jeffers, '29, was elected by the football lettermen of 1927 to the Captaincy of next year's eleven. Charles Keller '29 was at the same time chosen to manage the fighting Bears.

The choice of Jeffers and Keller meets the approbation of nearly everyone. Jeffers has played consistently in almost every football game for the last three seasons. He plays halfback and this year shone brightly by the side of his brilliant partner Willard Moyer. He is an excellent open field runner, a good passer, and on the receiving end of a pass is without peer. The Jeffers-Moyer combination has brought victory to rest on the Ursinus banners more than once this year.

Keller is a popular member of the Junior class. He is one of the best Ursinus cross-county runners. No

## THOMPSON-GAY GYM FUND IS INCREASING DAILY DUE TO LOYAL ALUMNI SUPPORT

**Goal Gradually Being Reached By  
Enthusiastic Supporters In  
Graduate Body**

### GYM ALMOST COMPLETE

The alumni, with characteristic loyalty, are responding to the challenge of "Jing" Johnson and his cohorts in the Thompson-Gay Gymnasium Campaign. Alumni living at distant points are now being heard from. During the past week, pledges were received from St. Louis, Mo., and Sacramento, Calif., with a generous sprinkling from all sections of Pennsylvania. The largest subscription was for \$125, there was one for \$100, another for \$75, and others for \$50, \$25, and lesser amounts.

The Gymnasium building is rapidly nearing completion and will be formally opened by Schaff Literary Society with the presentation of the Anniversary Play on December 9th. Basketball practice has already begun on the new floor.

The Committee in charge of the campaign for funds has challenged the alumni to subscribe \$10,000 of the \$40,000 needed to make the New Gymnasium possible. Every alumnus has been urged to give to this cause and especially those who failed to make a pledge in the Financial Campaign of 1925. The amount asked for is \$10 a year for the next five years, or a total of \$50 from every alumnus.

Many have expressed surprise that the Fund has not already been over-subscribed. "Dok" Kerr, '16 writes:

"It was quite a blow to learn that the \$10,000 had not yet been raised. I cannot understand the attitude of the alumni and why they hesitate to come through in loyal Ursinus fashion. Why, only 200 are needed to put it over. The delay is appalling."

"Jing" Johnson, the Chairman, however, is less disturbed and believes in the inherent fidelity of the Ursinus alumni body to such a degree that he states:

"I really feel encouraged about the campaign for we are getting responses from those who have been without the fold. By bringing the matter before the various alumni meetings which will be held in the near future, I feel sure that the thing will go across in good style."

A few of the reasons why "Jing" is so confident of success are the following:—

"By dint of hard work I paid my subscription to the Financial Campaign in full. However, I am making a special effort to give

(Continued on page 4)

## VICTORIOUS BEARS ARE RECIPIENTS OF BUSINESS MEN'S FINE GENEROSITY

**Banquet Given to Footballers at  
Spring Mountain House is Token  
of Townspeople's Good Will**

### F. W. GRISTOCK TOASTMASTER

Coming as a fitting climax to the highly successful 1927 grid season, the Ursinus football squad were the guests of the business men of Collegeville at a banquet held in the Spring Mountain House, Schwenksville, last Monday evening. Over eighty business men, players, and members of the faculty attended the dinner which had been promised the 1926 team for their victory over Franklin and Marshall last year.

After a full course chicken dinner had been served Toastmaster Frank W. Gristock made a few introductory remarks and then presented Coach Kichline.

"Kick" outlined the season's accomplishments and spoke highly of the spirit and cooperation which prevailed between the players throughout the year.

Captain Schell was next called upon and he also stressed the fine spirit of the squad and praised them for their "fight". Schell stated that this year one of his boyhood dreams had been realized. "Ever since I was able to play football," the popular leader smilingly remarked, "I had always had a desire to captain a winning college team and this year I feel that my wish has come true."

W. R. "Paddles" Douthett, former Graduate Manager of Athletics, and one of the stars of the 1910 team gave an interesting talk on George Gay and Bob Thompson, Ursinus stars who died while in college. "These two men were not only leaders on the

(Continued on page 4)

## GIRLS HOCKEY TEAM BOWS TO BRYN MAWR IN LAST GAME

The girls hockey team met the Bryn Mawr aggregation, Tuesday afternoon, Nov. 21, on the latter's field in a contest which resulted in a score of 4-2 in favor of Bryn Mawr. This was the final intercollegiate game of the 1927 season. However, if the weather permits, the girls are looking forward to some very interesting matches between the different halls and classes.

The game on Tuesday was of especial interest, since, within the knowledge of the members of the present hockey team, this was the first game the Ursinus co-eds have played against Bryn Mawr. For their initial appearance against their stronger adversaries, the U girls made a very fine showing.

A great deal of zest and spirit was shown as the Ursinus line took the ball down the field after the bully off. The opposing backfield stopped their advance and sent the ball to their own forward line, which rapidly approached the Ursinus goal posts. "Galie" Greager sent the ball out. Coming back again Tower made several pretty dribbles of from 50 to 60 yards in length, which were intercepted by the Bryn Mawr backfield. By the steady perseverance and team work of the U team, the ball was again carried to Bryn Mawr's circle and Witman scored the first goal of the game.

Soon after the beginning of the second half, Bryn Mawr scored another goal which was its final point.

Greager's playing was outstanding. The backfield was also untiring in its defensive work, and next year's team will miss the sure and steady playing of two prominent players in the backfield, namely Hoffer and Fet-

## JAPANESE SALE TO BE CON- DUCTED BY Y. W. C. A.

A Japanese sale will be held by the Y. W. C. A. from November 30 until the last day before the Christmas vacation. The sale has been held for the last few years at this time and affords a good opportunity for the girls of the school to buy unusual and distinctive Christmas presents at reasonable prices.

The sale will be officially opened Wednesday afternoon in the Y. W. C. A. room in the basement of the library. Tea will be served for ten cents to those who wish it, but the goods will be displayed to all who care to view them. Special Japanese entertainment will prove to be interesting to those who attend.

Plans are being made to display the goods to the men of the school on certain days during this period so that they will not miss this opportunity to do their Christmas shopping.

## URSINUS SERVES DINNER AT OPENING OF DORMS, DINING ROOM, AND GYM

**Many Well-known Men and Women  
Among Those Who Visit College  
And Speak at Banquet**

### DR. OMWAKE PRESIDES

The celebration dinner given on last Tuesday evening by the president, directors and faculty to mark the opening of our new buildings was attended by over two hundred invited guests. The party was made up of friends from far and near who had in the past shown substantial interest in the College, and who had been invited, as the President stated, "to join in the observance of thanksgiving for the best year Ursinus College has ever had."

The dinner was served in the new dining room by Mrs. Emma G. E. Webb and a picked staff of student waiters. The excellent menu and the skillful service reflected credit upon the College's own culinary department.

President George L. Omwake introduced the speakers after commenting briefly on the policy of Ursinus in the matter of providing for the domestic life of its students and the consequent significance of opening two new dormitories and a new dining hall in addition to the facilities already provided by the College along these lines.

The speakers were Boyd Edwards, D. D., headmaster of the Hill School, Pottstown, William Wistar Comfort, Ph. D., Litt. D., LL. D., president of Haverford College, James Francis Cooke, Mus. D., editor of "The Etude" and president of the Presser Foundation, Philadelphia, Andrew R. Brodbeck, LL. D., director of Ursinus College and former member of Congress, Alba B. Johnson, LL. D., member of the Advisory Council of the College, president of the Pennsylvania State Chamber of Commerce and President of Jefferson Medical College, and the Rev. Allen R. Bartholomew, D. D., LL. D., secretary of the Board of Foreign Missions and president of the General Synod of the Reformed Church in the United States. Other notables who were introduced were the architects of the new buildings, Messrs. Frank R. Watson, George E. Edkins and William R. Thompson, the builder, Richard J. Guthridge of the Heavener-Guthridge Co., Inc., Dr. Charles E. Beury, president of Temple University, Dr. Kenneth G. Matheson, president of Drexel Institute, Howard R. Omwake, Dean and Robert J. Pilgram, Secretary, of Franklin and Marshall College, Dr. Paul S. Leinbach, editor of the Reformed Church Messenger and Miss Josephine Doll of Philadelphia.

## RESUME OF FOOTBALL SEASON SHOWS URSINUS A SUCCESSFUL TEAM

**Varsity of 1927 Ranks With Best  
Elevens Who Ever Wore the  
Red, Old Gold and Black**

### UNITY BIGGEST FACTOR

Again the curtain is lowered on the football stage and the gridiron classics of the year become mere stories to be told and retold during winter evenings. The players and coaches may now retire behind the scenes leaving their records as a testimonial of their mighty accomplishments.

This year finds the warriors of Ursinus classed among the successful teams. The Bears under Coach Kichline have ventured from their abode nine times and on five occasions have they returned with a scalp dangling from their sharpened teeth. In fact, only one U team has held a better record since the days of Thompsons and Gays way back in the '11's while only ten teams in the thirty two years of the sport at Ursinus have finished with a record of five or more victories.

### Bears Place Second

Not only has the Ursinus win column more than balanced the other side of the ledger (which is in itself a rare feat) but Kichline's men have climbed to second position in the ranking of small colleges in this section of the country. The Grizzlies are undisputed runners-up to Coach Hen Bream's Gettysburg Bullets, undefeated champions of the Eastern Intercollegiate Conference.

In the organized Conference Gettysburg played three times, winning from Muhlenberg, Dickinson and F. & M. Ursinus also played three conference tilts and won two—Muhlenberg and F. & M.—losing a hard fought battle to Dickinson which ruined them from tying Gettysburg for first place honors.

In Stoney McLinn's (Evening Public Ledger sports columnist) mythical Eastern Pennsylvania League Ursinus is ranked second, topped only by the undefeated teams of Gettysburg, Temple, and Haverford. In this league the Battlefield eleven has won four games played while Haverford has won three without bowing. Temple, the other undefeated team, does not rightly belong in this classification as its power entitles it to be ranked with the leading elevens of the East. The Bears have played five league games and have emerged victorious four times to earn the high mark of .800.

With this years' feat safely tucked away one turns to reviewing next year's chances. Five letter men will be lost by graduation next spring, four of them regulars. Captain Schell, Bill Moyer, Buck Faust, Ted LaClair, and Paul Felton have finished their moleskin careers. Moyer's place will be difficult to fill while the gap left by Schell on the line will also need considerable strengthening. Faust, on the line, and LaClair in the backfield are the other two regular positions for which Coach Kichline will have to groom someone else next year.

### Frosh Rule

This season marked the first year that the Freshmen ineligibility rule was in force at Ursinus and as a result Coach Kichline had no new material to take the place of that lost by graduation last year. However, with this year's yearling squad eligible for varsity duty next year there should be little difficulty in filling the vacated positions.

### Passes a Winner

Ursinus built their attack this year around Moyer and Jeffers, featuring speed and clever forward passing. The forward pass combination, Moyer to Jeffers was successfully worked for

## Editorial Comment

### A STUDENT PAPER

The recent growth of Ursinus College has been so rapid, progressing by leaps and bounds, that organizations must be created in the same manner to keep pace with this new growth.

One of the greatest needs of Ursinus is a student publication, a paper owned and controlled by the students with of course, representation from the faculty on its governing body. This proposed paper would thus give the students an opportunity to express their thoughts and ideas in a way which now is not open to them.

The present publication is not sufficiently large to meet the demands placed upon it by students and alumni, and as it is an alumni publication its first duty is to that body.

Under the system now in vogue the Weekly is trying to satisfy both constituents, alumni, and students, and because the volume of campus news is so far beyond the capacity of the present sheet, and increasing activity among the alumni demanding greater representation it is almost necessary that separate organs for each be established.

Comment from both alumni and students will be greatly appreciated by the editor.

C. H. E., '28

### ABOUT CHAPEL SPEAKERS

A week or so ago there appeared in this column a plea for the resumption of monthly chapel addresses. The writer assumed that there was a general desire among the students for these addresses and proposed that they take the form of sermons. There are two sides to every question, however, and we feel that the case of the other side should be presented.

In the first place, without casting any aspirations upon the writer of the above-mentioned article, we seriously doubt the accuracy of his claims in regard to the sentiment of the student body. Solely as a matter of personal curiosity, without stating his end in view, the writer of this editorial secured the opinions of ten persons who seemed to him to represent every type on the campus. Of these ten, two favored the plan of the editorial. Three frankly said they did not care how many addresses were delivered in Chapel so long as they got out of nine-fifteen classes thereby. Three more expressed indifference to the matter, and two were opposed to the plan. If these ten are truly representative of the sentiment of the student body, and we believe they are, we are safe in assuming that approximately twenty per cent of the students favor chapel speakers, an equal number are opposed, and that the remaining sixty per cent are indifferent or at best lukewarm. If the proposition that addresses be delivered to the students at stated intervals as outlined in the editorial referred to were put to a vote we believe it would be defeated.

On the other hand, we do not think that the students are opposed to the idea itself. The men and women of Ursinus are aware of the advantages to be derived from hearing men of prominence speak before them. It is to the suggestion made in the article in question that they be subjected to a sermon a month that the lack of apparent enthusiasm is due. Sermons are excellent in their time and place, but in this case there can be too much of a good thing. The college of today stands for much more than the practice of homeletics. It is really too much to ask that the college cultivate but one field of thought and endeavor and leave the others fallow, and the student body seems to realize it. Criticism, to be effective, must be constructive. Therefore we beg leave to propose this plan to the college authorities: That an effort be made to secure someone to address the student body during each of the next six months. That inasmuch as there has already appeared before us one of the Christian ministry, that these speakers be men representative of and leaders in fields of equally important activity—for example, a banker, a journalist, a lawyer, a manufacturer, a military or naval officer, and a man prominent in political life. We believe that the variety in speakers cannot help but have a broadening and instructive effect upon those who assemble to hear, and after all, that is what we come to college to get. We earnestly request that this plan be given a least a fair trial.

S. O., '31.

### TRY OUT FOR "THE WEEKLY"

All persons desirous of writing for "The Weekly" are requested to hand their names to the Editor as soon as possible. The Weekly work, while not exceedingly laborious, demands some time from those who try out to make the staff. Greater interest on the part of the students in the paper can only make for the betterment of the Weekly.

## ALUMNI NOTES

Rev. F. H. Fisher, D. D., '90, observed on Sunday, November 13th the 25th anniversary of his pastorate of the Calvary Reformed Church, Philadelphia. During that period of time the congregation grew from 125 to 615 and there was contributed \$28,000 for benevolence and \$189,000 for congregational purposes, in all \$217,000. This included their new church plant which is one of the most beautiful and serviceable in the city of Philadelphia.

Rev. Oliver K. Maurer, '21, on the afternoon of November 13th, dedicated a new pipe organ in the Shenkel's Reformed Church. This with other improvements costing some \$3000 was provided for by generous contributions of friends and members of the church. This makes the second pipe organ installed by this pastor. Two years ago one was installed at Linfield, which is the other congregation of his charge.

Charles L. Maurer '12 was recently elected to the board of education of Collingswood. He was also elected to the Deanship of the College Department of the South Jersey Law School. Since 1915 he has been head of the department of Social Studies in the Camden Senior High School.

H. M. Leidy, '08, early in the year became pastor of the St. Paul's Reformed Church of Manheim, Pa.

### Whereabouts of the Class of 1927

Bernice Leo is pursuing her Master of Arts degree at the University of Pennsylvania.

George Erb is coaching athletics and teaching Science at the Unionville High School, Unionville, Chester County, Pa.

Adelaide Hathaway is taking the nurses training at the Bellevue Hospital, New York City.

George Haines is serving in the capacity of Supervising Principal of the Abbottstown Public Schools.

Grove Haines is pursuing graduate work in History and International Relations at Clark University, Worcester, Massachusetts.

Betty Miller is teaching English and Algebra in Chester High School.

C. Earl Gardner is a Junior in the Hartford Theological Seminary, Hartford, Connecticut.

Lloyd Enoch is teaching in the new High School at Shillington, Pennsylvania.

Betty Smith is a member of the teaching staff of the French department in the High School at Bridgeton, New Jersey.

Roscoe Peters is teaching Science in the High School at Kennet Square, Pennsylvania.

Isabel Johnson is coaching athletics and teaching History in the High School at Cape May, New Jersey.

A. Kenneth Fink is teaching English in the High School at Slatington, Pa.

## The New Collegiates

DESIGNING SHOES for the student is a fine art. Individuality, Style, Verve, the unmistakable atmosphere of Character, must be expressed in every detail. TRI-PLEX success in translating the spirit of the campus has made TRI-PLEX shoes the favorite of the better dressed.

Big Boy

Strong, dashing in style, virile. Different - yet correct. Extra broad, soft toes; wide, double soles; hard heels, rounded in a new style line. Blucher or straight. Imported Scotch Grain or Calf; new tan or black. . . . \$6

Au-tan

One of the many new TRI-PLEX creations, depicting beauty, comfort and style in every detail. A One-Strap with flexible welted sole and walking heel. Lizard Calf trimmed with blending brown kid; also in all-Russia Calf & Patent leather. \$6

TRI-PLEX SHOES and hosiery appeal to those who are most exacting—who insist on real style and workmanship—and who are not unwilling to save about half the usual price.

**Tri-plex Shoes**  
TRIPLE WEAR

84 East Main St. -:- Norristown, Pa.

## The Tower Window

It was very gratifying to hear the complimentary remarks regarding our new buildings by the many visitors who inspected them on the day of the formal opening. The dormitories especially brought forth enthusiastic expressions of commendation. Three things especially impressed the visitors, the architectural style, the size and furnishings of the rooms and the substantial character of the structures. "Very attractive buildings," "More character than in any other building on the campus," "Imposing," "Will stand for centuries," "I like the tall chimneys," "What large rooms!" and other such expressions were typical of the conversation on every hand.

At the gymnasium the comment was mainly on the location, the size, the plan and the contemplated uses as indicated in the construction. However, style is not lacking in this building and there were those who spoke of the appropriate character of the building. It is true that no one would likely mistake its use on the very first sight of it.

The new dining room drew its meed of praise, especially from those who dined in it. The absence of noises pertaining to the kitchen, and the excellent acoustic properties make it especially good as a banquet room. The color scheme—orange colored side-walls and apple green furniture—seemed to please all the guests.

I am not passing these comments on to you in a boastful way. I am writing for those who were not so fortunate as to be present but who will be eager to know how our new buildings impressed those who did come.

In the dining room, in the dormitories and at the gymnasium there were students acting as hosts and ushers, and some comments that reached my ears regarding these students pleased me even more than the fine things that were said about the buildings. One of the speakers who sat near me at the banquet made the kindness shown him by a few college boys prior to the dinner hour the starting point of a very interesting conversation. This is what really counts. College buildings are important only as they house truly worthwhile men and women as students.

Now that we have buildings and students that equally impress our friends, let us humbly see to it that there has been no misplaced praise.

G. L. O.

## A NEW SCHOLARSHIP

A new scholarship in the sum of \$2000 to be known as the Leroy Boyer Laubach Scholarship has been founded, the income of which will yield \$100. It was founded the past week by Mrs. M. B. Laubach of Philadelphia in memory of her son who died at the age of twelve years. In founding this scholarship the mother expresses the thought "that thruout all the years to come some worthy boy or girl will be helped to attain a college education."

## ALUMNI NOTES

## Lehigh Valley Alumni to Banquet

On Friday evening of this week the Lehigh Valley Alumni Association will gather in Allentown for their annual banquet. The Association is headed this year by Floyd E. Heller, '07, who has been working hard to advance the interests of Ursinus in his territory. A program of interest has been arranged for Friday evening.

Clark R. Long, ex-'20, spent a few hours on the campus Friday. Mr. Long was a student at Ursinus in 1916-17. He later attended George Washington University from which institution he was graduated in 1924. He is now Assistant Director of the Bureau of Engraving and Printing, Washington, D. C. He will be pleased to have alumni and friends call on him.

## The Old Timer

It is the purpose of the Editor to begin a column in the Weekly which will contain subjects of historical interest about Ursinus. No set plan has been adopted as to what the articles shall contain. It is purposed to print where fancy leads us. If this meets the approval of the readers of the Weekly a letter to that effect would be thankfully received by the editor.

If errors occur, and it is highly probable that in a work of this kind they shall, corrections are solicited. For the first number an extract from an old minutes book of Schaff Literary Society will be printed. This extract probably describes the birth of Schaff.

At a special meeting of Xi Rho Delta, the first literary Society, the following occurred. The meeting was held in Platonic Hall. The article is the minutes of the meeting.

## Special Meeting

Ursinus College, March 19, 1872.

The meeting was called to order by the Pres. for the purpose of disposing of the Charter of the Xi Rho Delta Society. A correspondence was read from Rev. H. A. Hunsicker requesting the Society to give the charter to him. On motion the Society granted charter and frame to the gentleman. On motion a committee of two consisting of Messrs. Croon and Lecron, was appointed to present the same to the gentleman. On motion Mr. Croon read a selection of Mottoes, after which Society adopted the following as a Motto of Society: "Prudens futuri." Society then entered a brief debate in regard to having an anniversary this term, which was decided in favor of the negative. On motion Society have its first anniversary at the end of the next College year. On motion Society adjourned.

PHILADELPHIAPut your  
pipe on  
P.A.

WHAT you get out of a pipe depends on what you feed it. Millions of contented jimmy-pipers will tell you that Prince Albert commands a pipe to stand and deliver. You suspect you are in for some grand pipe-sessions the minute you get a whiff of P.A.'s aroma.

The first pipe-load confirms your suspicions. What a smoke, Fellows! Remember when you asked for the last dance and she said "You've had it!"? P. A. is cool, like that. And sweet as knowing that she didn't really mean it.

Sweet and mellow and mild and long-burning.

Put your pipe on P.A. You can hit it up to your heart's content, knowing in advance that P.A. will not bite your tongue or parch your throat. That one quality alone gets P.A. into the best smoke-fraternities. And then think of all its other qualities!

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and parch removed by the Prince Albert process.

PRINCE ALBERT

—no other tobacco is like it!

## VICTORIOUS BEARS BANQUET

(Continued from page 1)

gridiron but scholars and gentlemen as well," Douthett asserted and continued by saying, "that no finer way could be found to honor their memory than to name the new gymnasium after them." The favorable opinion expressed by officials who have "worked" in Ursinus games was also mentioned by "Paddles" who is a Central Board official.

President Omwake, the next speaker, outlined the history of football at Ursinus. "Successful seasons seem to move in cycles," the President pointed out. "Our first great team was under the reign of Kelley, who was a student at Ursinus and later its first coach. Kelley turned out the undefeated team of 1902 of which Dr. Price was a member. Price in time came back to Ursinus and under his regime winning teams were produced year after year. Later Gerges a protege of Price's took up the coaching at Ursinus and it was during the several years when Gerges coached that Kichline, our present athletic director, played at Ursinus." Dr. Omwake continued by saying that athletics at Ursinus are moving ahead rapidly and the present cycle has not yet reached its zenith.

Dr. Barnard, the final speaker of the evening, gave an interesting talk on college athletics of quarter a century ago when he served on the Ursinus Athletic Council. Dr. Barnard described some college athletic practices of the time and told of suveying Patterson Field.

The lighter vein of the banquet was provided by Prof. LeRoy, a talented magician and hypnotist, who amused and mystified his audience with a number of sleight-of-hand tricks. He was assisted by several students in some of his demonstrations.

## THOMPSON-GAY GYM FUND

(Continued from page 1)

\$25.00 a year for five years towards the gymnasium, the first payment to be paid after the first of the year." John L. Alexander, D. D., '01, Director, The American Youth Foundation, St. Louis, Mo.

"Ten dollars a year for the next five years doesn't seem like much of a pledge but it's the best I can do just now. I have quite a few other financial irons in the fire just now and may be able to increase my gym pledge when I get some of the others out of the way." "Art" Adams, '16, Dormont, Pa.

"Personally I do not like to make a pledge. I far prefer to pay cash, but in this case I shall go against my principles and sign the pledge." Clara M. Deck, West Leesport, Pa.

Alumni who have not yet made known their intentions in the Campaign for the New Gymnasium are urged to send their subscriptions to headquarters without delay.

## GIRLS' HOCKEY TEAM BOWS

(Continued from page 1)

ters. Their playing has been good thruout the season, but especially commendable has it been in the last two games. "Trudy" Rothenberger also played her last game on the Ursinus forward line. Bowler made the final goal of the game with but one minute to play. Altho the game ended with the score in Bryn Mawr's favor, the Ursinus team has the satisfaction of knowing that their last game of the season was a good one.

The line-up was as follows:

Ursinus	Position	Bryn Mawr
Sato	R. Wing	Adams
Rothenberger	R. Inside	Blanchard
Bowler	C. Forward	Fowler
Witman	L. Inside	Wapples
Tower	L. Wing	Hobart
Wisner	R. Half	Bethel
Hoffer	C. Half	Boyd
Kressler	L. Half	Field
Fetters	R. Back	Woodward
Sargeant	L. Back	Huddleston
Greager	Goal keeper	Thomas

Substitutes: Ursinus—Lake for Tower; Bryn Mawr—Sanborn for Hobart. Goals: Ursinus—Witman, Bowler; Bryn Mawr—Blanchard 1, Fowler 2, Sanborn 1. Umpires—Barth and Applebee. Scorers—Houck

## RESUME OF FOOTBALL SEASON

(Continued from page 1)

large gains while the brilliant open field running of both of these players played an important part in the team's victories.

### Benner Ace

Bill Benner, the Burley Dutchman from Souderton, had the best year of his collegiate career and it was not his line crashing ability so much that won him distinction as his dogged backing up of the line. Bill played an important part in the defensive work of the eleven and often played when he should have remained on the bench.

LaClair, the fourth member of the backfield at the start of the season, also played a bang-up defensive game and led the interference until injured in the George Washington game. His place was taken by either Mink or Young. Mink played well, especially on the defense while "Pep" Young showed marked improvement in later games and shows promise of becoming a star. "Pep" has the "stuff" and only lacks experience.

### Line Strong

To the unsung heroes of the line words of praise must be typed. The Grizzly forward wall took their beatings gamely and played an important part in the team's success.

Led by Captain Schell at center and guard, the "shock absorbers" resisted the smashing tactics of the alien backs and often broke through to smear a play before it actually got under way. Black, alternating with Schell at these two positions, played a hard consistent game thruout the entire season while Joll, at other guard, was one of the stars of the team always playing a hard but unspectacular part of the team's success. The two tackles, Strine and Helfrich were perhaps the strongest part of the line. These two men covered themselves with glory in nearly every contest. At end, Faust was the strongest of the wingmen.

(Continued Next Week)

## JEFFERS ELECTED CAPTAIN

(Continued from page 1)

doubt exists to his capability as a varsity manager.

Sullivan '30, Schuler '30, and Kurtz '30 were elected as assistant managers.

Eighteen will receive letters: Manager Engle, Captain Schell, Moyer, LaClair, Joll, Helfrich, Johnson, Benner, Jeffers, Mink, Schink, Black, McGarvey, Strine, Donaldson, Wilkinson, and Young.

## BOARD OF DIRECTORS MEETING

(Continued from page 1)

eleven different States and the District of Columbia. Eleven counties in Pennsylvania furnish from ten to a hundred students each. A number of other counties are represented in the enrollment. The number of day students is 51. There are fifteen religious denominations represented in the student body, those having the largest number of adherents being the Reformed, Methodist, Lutheran, Presbyterian and Episcopalian. The number of students in the various groups is as follows: Classical, 47; Mathematical, 51; Chemical-Biological, 85; Historical-Political, 58; English-Historical, 110; Modern Language, 45; Economics and Business Administration, 58. Eight members have been added to the Faculty this year, three of these taking the places of others who had resigned. The net increase is five. Several new courses are being offered, principally in the departments of physics and economics.

The Treasurer of the College presented his report for the fiscal year ending August 31, 1927. A copy of the balance sheet was furnished to each Director and the report itself was explained and commented upon by the Treasurer and the Auditor who was also present. The Treasurer also presented as a part of his report the result of the work of the appraisers who made an appraisal of the property of the College, real and personal. This is a voluminous document and gives a detailed statement of each and every separate item making up the sum total of College property. According to the treasurers report the present endowment of the College is \$411,542 and the plant as-

sets, \$828, 931, making total assets of \$1,333,397.

The Board acting upon the recommendation of the Committee on Government and Instruction advanced Assistant Professor Martin W. Witmer to the rank of Associate Professor; and Instructors Franklin I. Sheeder, Jr., and J. Harold Brownback to the rank of Assistant Professor.

The two men's dormitories were by formal action of the Board named, the one standing nearer the old group of dormitories being named Brodbeck Hall and the other, Cyrus H. K. Curtis Hall. The Hon A. R. Brodbeck has for many years been an active member of the Board and has given liberal contributions to the work of Ursinus College. During the past year he made a contribution of \$25,000 toward the erection of the building named in his honor. Mr. Cyrus H. K. Curtis has served the College in the Advisory Council and has both by his counsel and his gifts been a real benefactor of Ursinus. Last year he gave the College the munificent sum of \$75,000 as a Christmas gift.
